## **SUBJECT: SCHOOL DISTRICT ROADS WHICH ARE HAZARDOUS FOR TRAVEL BY SCHOOL BUSES**

In compliance with applicable decisions by the Commissioner of Education, the Board of Education will not provide transportation to students residing on certain roads when the use of buses would involve an unreasonably hazardous condition to the safety and well being of students, driver, pedestrians and others in the immediate vicinity.

The following, is a list of streets in the Lyons Central School District which the Board has declared as unsafe for bus travel or access:

- a) **Scott** - Dead end street with no turn around area. All house numbers are affected.
- b) **Upper Water** - Steep, narrow road with not enough room to turn right on Butternut, visibility is bad from the off ramp. House numbers affected are: 90, 92, 94, 96, 98, and 102.
- c) **Pearl** - Steep road. House numbers affected are 49-75.
- d) **High** - Narrow road, has on street parking so there is not enough clearance for bus. All house numbers are affected.
- e) **Bear** - Access from either direction is poor. One way is very steep down onto Broad Street; the Cherry Street end has an up ramp and poor visibility. All house numbers are affected.
- f) **Rice** - Steep road, no turn around access; on street parking - narrow passage. All house numbers are affected.
- g) **Orchard** - Very steep road. All house numbers are affected.
- h) **Shaw** - Very steep road. All house numbers are affected.
- i) **Catherine** - The hazardous condition relates to the dead end part of the road. There is no turn around area. House numbers affected are 82-124.

Sharp comers on these narrow streets leave no room for turns:

- a) **North Joy** - All house numbers are affected.
- b) **Joy** - All house numbers are affected.
- c) **Mirick Place** - All house numbers are affected.
- d) **Spencer** - House numbers affected are 49-61.
- e) **Moran** - All house numbers are affected.

**SUBJECT: SCHOOL DISTRICT ROADS WHICH ARE HAZARDOUS FOR TRAVEL BY  
SCHOOL BUSES (Cont'd.)**

The Board authorizes administration to develop alternate bus routes which may include having students meet at a corner that avail the hazardous roads, or portions of such roads enumerated above. A copy of this policy will be disseminated to the local county Social Services Office as well as District residents.
